Andrew Joyner Jr. Collection, ca. 1717-1972. 4 boxes (ca. 600 items.)

NOTE: The numbers cited in parentheses, e.g. 1:5, refer the researcher to the Series#:Folder# in which that name/topic will be found.

INTRODUCTION

This is, primarily, an artificial collection of autographs and letters, with some photos and prints of a few of the related individuals.

Arrangement: The Joyner Collection is arranged into seven series: **Correspondence**, 1942-1972; **Currency**, ca. 1860s; **Literary; Photographs; Printed Materials**, 1907-1955; **Prints**; and **Autographs**. The bulk of the material is grouped in Series 7, the Autograph Collection.

Provenance: Many of the more valuable autographs and letters were sold at auction after Mr. Joyner's death, after selected portions of the collection were given to the Museum. There is, however, information documenting some of these more valuable autographs (1:6) as well as the items that did come to the Museum, in the GHM Archive's "Legal File." The bulk of the collection came in 1972 (1972.11), but he presented several items in 1964 (1964.4) and a few additional items came in 1974 (1974.39).

SCOPE & CONTENT NOTE

The Joyner Collection, primarily an autograph collection with supplementary material, was assembled by Andrew Joyner Jr. (1894-1972) from the 1950s until his death. His interest in collecting historical manuscripts began in earnest in the 1950s, which was also the period (1956-58) when he served as President of the Greensboro Historical Museum, Inc.

The bulk of the material in this collection is grouped in Series 7, the Autograph Collection. Correspondence relating to the assembling of this autograph collection (1:1-6) is located in Series 1, the Correspondence series, and includes letters from noted dealers Charles Hamilton and Mary Benjamin (1:4).

The collection also contains a few personal items relating to or written by Joyner and dealing with historical topics, including: **correspondence** with La Nora Board (1:7), Katherine Hoskins (1:11), and John R. Peacock of the High Point Rotary Club (1:14); various **writings on Guilford County history** (Series 3), and one on the **1910 Greensboro High School Class** (3:1); there are also several programs he collected, including for a 1940 Senior High School play (5:9), the dedication of Joyner Library at East Carolina College (5:10), and the Dedication Ceremonies (5:12) at the opening of the U.S. Post Office in Greensboro on July 6, 1933 .

In addition to the autographs and images, Joyner also collected some interesting printed material, including: a 1949 **U.S. Senate Chamber Pass** (5:1); pamphlet for a banquet given to

William J. Bryan in Greensboro in 1907 (5:3); a **World War I pamphlet**, "Help Wilson Win The War" (5:4); and a **William B. Umstead for Governor pamphlet** (5:7).
